MESSAGE FROM THE CENTER DIRECTOR

It is my pleasure to welcome you once again to the CDER Honor Awards Ceremony. I am truly honored to recognize the accomplishments of so many of our CDER colleagues.

At the Spring ceremony, we presented three new CDER Peer Honor Awards. I am very pleased to add two new peer awards to the Fall ceremony. The two new peer awards that will be presented today are the CDER Excellence in Communication and the CDER Leadership Excellence Awards.

I am proud to share our successes today with you. I continue to be both impressed and inspired by the dedication and commitment to excellence exhibited by so many of the CDER Staff.

Congratulations to the men and women we honor today, and to all employees whose efforts have led to our success. I extend my deep appreciation and sincere gratitude on a job well done.
